Dear Netherwood Family,

I want to express my deep and abiding gratitude for the support, love, encouragement, and grace that has been extended to me and my family.

It has been six months since my son Matthew died, and I am a bit overwhelmed by both the sorrow and the blessings that have resulted since then.

Thank you to the youth group who dedicated their service project to cleaning my house before the funeral guests arrived.

Thank you for all the work and workers who volunteered time, talent, energy and love during the funeral service. Thank you for the women of the Ladies Bible Study for bearing with all my stages of grief.

Thank you for all your prayers, especially for Skia and Silas his children. They attend church with me, and I covet your prayers for them.

Bless You, I love you, I am so Grateful, **Diedra Hobson**
